Subject: RE: confirmation of ACRS- SOARCA briefing dates

Terry,

The Subcommittee meeting will be a closed session on July 7, 2009, 1:30-5:00 PM

The Committee will discuss SOARCA during its July 8-10 2009 meeting for 1.5 hours. the detail agenda for the Full Committee has not been finalized yet. Since the Committee is going to write a letter on SOARCA, the preference would be to discuss SOARCA on the first day of the meeting, Wednesday, July 8, 2009. I will discuss the exact time with you sometimes in June when we are finalizing the agenda for July meeting.

Subject: confirmation of ACRS- SOARCA briefing dates

Hossein,

I wanted to confirm the ACRS subcommittee and full committee SOARCA briefs for July 2009. From our previous discussions I have on my calendar that staff will brief the ACRS subcommittee in a closed session on Tuesday, July 7, 2009 from 1 to 5 pm. The full committee brief was tentatively scheduled for one hour on Thursday, July 9. Do you have a time for us on July 9th?

Thanks,

Terry Brock
